WITHDRAWALS

If for some reason your child needs to be withdrawn from the school, please give us 30 days written notice. We require payment for the next month if your child is abruptly withdrawn. We strive to be fair and seek your co-operation if this event should arise for you. If the school should be closed for any unforeseen reasons, other than for our two professional development days (usually in October and March), winter break (two weeks), or spring break (one week), fees for closure dates will be refunded.

All children enter the Aberdeen Hills Montessori after school program on a probation basis. The health and safety of all children and staff members may require the withdrawal of any child whose behaviour is determined to endanger him/her, other children, or staff members. A child may also be dismissed if the child's needs are not being met by the program. In such cases, fees will be pro-rated and the remainder of the monthly fees and all post-dated cheques will be returned to the parents.
